

COALA TEXTILE OUTDOOR SHADE

MATERIAL DESCRIPTION

Coala Textile Outdoor Shade is a high quality 100% Polyester woven fabric for a wide variety of indoor and outdoor applications. It's a sunshade fabric which offers an array of benefits. In addition to a soft, textile touch it has a very good water repellency. The fabric resists high tearing forces and remains flexible even under extreme weather conditions. Its resistance to cracks and kinks makes it easy to handle. The fabric does not show any stress whitening and its special two-sided coating guarantees that the colour is identical on both sides of the fabric. Depending on the selected colours you can create a warm sunny or a cool, stylish atmosphere. PVC-free and certified in accordance with the Oeko-Tex® 100 IV Standard.
