

COALA TEXTILE SOUND LINE

MATERIAL DESCRIPTION

Coala Textile Sound Line is a high quality sound absorbing material (Trevira CS®) woven fabric one-sided for a wide variety of indoor applications. The refined stripe alignment creates an interesting surface structure. The semi-sheer fabric provides a good level of visual privacy while also allowing soft filtered light to shine into the room. The yarns used in the fabric form an elegant horizontal texture with a subtle sheen. PVC-free and certified in accordance with the Oeko-Tex® 100 IV Standard.

PRINTER & INK COMPATIBILITY

WEIGHT

155
g/m²

FEATURES

- Highest print quality
- No curling
- High quality surface
- Easy to mount
- Sound-absorbing :
 $\alpha_w = 0,45$
 NRC= 0,45

CUTTING

- Cold cutting
- Hot cutting
- Ultrasound cutting
- Sewing

APPLICATIONS

- Panel blinds
- Roller blinds
- Vertical blinds
- Trade show graphic
- Interior design
