

COALA TEXTILE WALL DECO

MATERIAL DESCRIPTION

Coala Textile Wall Deco is a high quality grey back 100% polyester woven fabric for indoor applications. Specially designed for wall covering and dim-out blinds. This fabric is the perfect choice for interior decoration, it allows creating most elegant atmosphere. Available width up to 310cm. PVC-free and certified in accordance with the Oeko-Tex® 100 IV Standard.

From April 2020 Coala Textile Walldeco will be produced with 100% recycled polyester yarn based on used PET bottles. Approximately 9 PET bottles are used to create almost one square meter of woven goods. That approach helps on one hand to reduce plastic pollution and on the other it extends the life cycle of raw materials. With the growing awareness of global climate change, Coala Textile Walldeco answers the demand of environmentally friendly, resource-efficient products.
