

## MATERIAL DESCRIPTION

Coala Two Way Vision is a 120µ glossy, self-adhesive window film. It is specifically designed for applications where the advertisement should be visible from both sides. Even though you only print on one side, the picture is visible on both sides. Due to the prism and the open area you have a high visibility to the outside and the daylight inside.

## PRINTER & INK COMPATIBILITY

## FILM THICKNESS

120µ

## LINER WEIGHT

180 g/m<sup>2</sup>

## FEATURES

- Monomeric calendered gloss PVC film 120µ
- Transparent with integrated white prisms
- Removable clear acrylic adhesive
- Printable transparent / white front side
- Transparent / white reverse side
- Transparent area: 30%
