

Avery Dennison® Pure Defense Series - Paint Protection Films

The go-to solution for mid- and long-term paint protection!

Avery Dennison Pure Defense Series consist of various products that offer transparent protection to high impact areas on all types of vehicles and high traffic areas like reception desks. Once applied the film protects against many different kinds of damage, such as stone chipping, scratches and everyday wear and tear.

RECOMMENDED USES

- > Protection of the highly sensitive external surfaces of vehicles like bumper, side mirrors, hood, wheel arches
- > Protection of internal surfaces like luggage racks or chairs in buses or trains
- > Protection of surfaces in high traffic areas like, reception desks, door impact areas, wall panels and more

KEY FEATURES PU

- > High gloss, 150my PU film
- > Highly transparent finish
- > Uniform surface appearance
- > Flexible film, suitable for curved applications

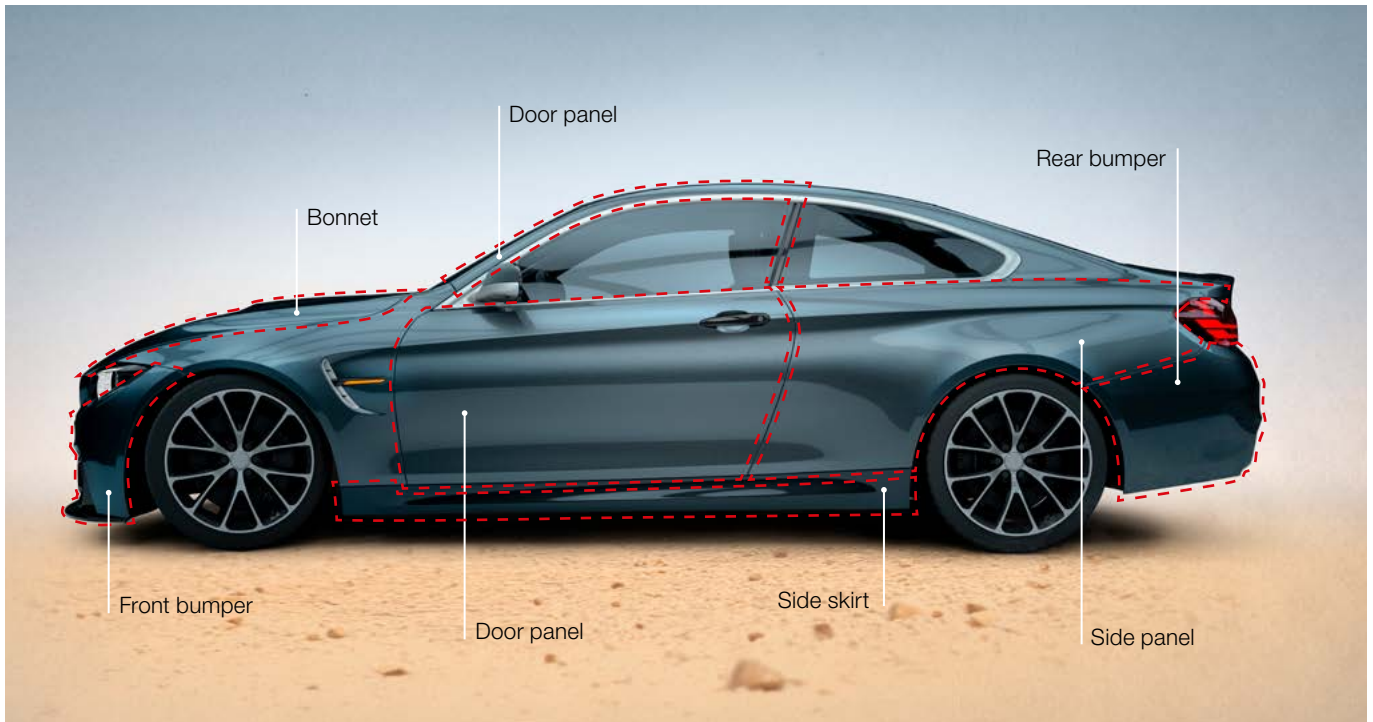

- > Heat activated self healing function
- > Up to 8 years durability (vertical, Zone 1)
- > The film has a transparent protection sheet that needs to be removed prior to application.

KEY FEATURES PVC

- > 150my PVC film
- > Uniform surface appearance
- > Up to 5 years durability (vertical, Zone 1)
- > Conforms to flat and simple curves

BENEFITS

- > Helps protect vehicle value
- > Resists stone chips, scratches, pollution and corrosion
- > Long-term protection
